## ESTATE PLANNING QUESTIONNAIRE

The information you provide will help us with the planning of your estate. If you have financial statements, statements from brokers, or other documents which provide the information requested, please feel free to attach them and refer to them in answering specific questions. If you need more space, use another letter size sheet.

If you are not certain about an answer or do not have the relevant information, just leave the space blank and we will determine the need for this information at our first meeting. The last page of this form contains a list of documents we would like you to provide. While these documents will be helpful to us in your estate planning process, if they are not readily available, we can begin the planning process without them.
